Overview

This document covers Poly G10-T, Poly G40-T, and Poly G85-T bundles.

Poly G10-T

The Poly G10-T bundle contains the following peripheral equipment. Please refer to the Safety and Regulatory Notices for each Poly product.

- Poly GC8 (Model P024)
- USB Fibre Cable
- Lenovo® ThinkSmart™ Edition Tiny PC

Poly G40-T

The Poly G40-T bundle contains the following equipment. Please refer to the Safety and Regulatory Notices for each Poly product.

- Poly GC8 (Model P024)
- Poly Studio (Model P009)
- USB Fibre Cable
- Lenovo ThinkSmart Edition Tiny PC

Poly G85-T

The Poly G85-T bundle contains the following equipment. Please refer to the Safety and Regulatory Notices for each Poly product.

- Poly GC8 (Model P024)
- Polycom EagleEye Director II Camera
- USB Fibre Cable
- Lenovo ThinkSmart Edition Tiny PC

For Safety and Regulatory information for the Lenovo ThinkSmart Edition Tiny PC, refer to https://www.lenovo.com/us/en/compliance/pc-safety.

Service Agreements

Please contact your Poly Authorized Reseller for information about service agreements applicable to your product.

Safety, Compliance, and Disposal Information

- This equipment is intended for indoor use only.
- Always disconnect all system power cords before cleaning or servicing.
- In order to remove all power from this unit, disconnect all power supply mains cords.
- Do not spray liquids directly onto the system when cleaning. Always apply the liquid first to a static-free cloth.
- Do not immerse the system in any liquids or place any liquids on it.
- Do not use a power cord that is damaged. This could cause fire or electric shock. Contact the manufacturer for a replacement cord, if necessary.
- Only use a power cord which is appropriately rated and approved relevant to the country of use.
- This equipment is not intended to be operated by children.
- When connecting to the mains supply, connect only to an earthed supply outlet which is installed near the equipment and is easily accessible.
- Keep ventilation openings free from any obstructions.

 The ambient operating temperature rating of this equipment is +32 to 104°F (0 to +40°C) and should not be exceeded.

USB Fiber Optic Cable

"Complies with 21 CFR 1040.10 and 1040.11 except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019."

Installation Instructions

Installation must be performed in accordance with all relevant national wiring rules.

L'Installation doit être exécutée conformément à tous les règlements nationaux applicable au filage électrique.

When using Power over Ethernet (PoE), the equipment is to be connected only to PoE networks without connections to the outside plant.

Lorsque vous utilisez une alimentation électrique par cable ethernet (PoE - Power over Ethernet), l'équipement doit être connecté uniquement aux réseaux PoE sans connexions vers l'extérieur de l'usine.

In addition, all PoE sources must meet the Limited Power Source requirements of IEC 60950-1:2005 (2nd Edition); Am1:2009 or IEC 60950-1:2005 (2nd Edition); Am1:2009; Am2:2013; EN 62368:2014.

En outre, toutes les sources PoE doivent satisfaire aux exigences de source d'alimentation limitée de la IEC 60950-1:2005 (2ème édition); Am1:2009 ou IEC 60950-1:2005 (2ème édition); Am1:2009; Am2:2013; EN 62368:2014.

These products are designed for commercial office use only

This product cannot be connected directly to the telecommunications circuits (or public wireless LANs) of any telecommunication carriers (e.g., mobile communications carriers, fixed communications carriers, or internet providers). In the case of connecting this product to the Internet be sure to connect it via a router.

Operating Ambient Temperature

Operating temperature: +32 to 104°F (0 to +40°C)

Plug Acts as Disconnect Device

The socket outlet to which this apparatus is connected must be installed near the equipment and must always be readily accessible.

La prise électrique à laquelle l'appareil est branché doit être installée près de l'équipement et doit toujours être facilement accessible.

CE Mark Declarations

The Poly G10-T, Poly G40-T, and Poly G85-T components are marked with the CE mark, as applicable. This mark indicates compliance with LVD and EMC Directives 2014/35/EC and 2014/30/EC, RED 2014/53/EU and RoHS Directive EU2015/863, as applicable. A full copy of the relevant Declaration of Conformities can be obtained from Polycom (NL) BV., Scorpius 171, 2132 LR Hoofddorp, NL.

EU Declaration of Conformity

Hereby, Plantronics B.V declares that the radio equipment type Poly G10-T, Poly G40-T, and Poly G85-T are in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: https://support.polycom.com/content/support/north-america/usa/en/support/video.html.

Maximum Transmit Power

Frequency Range MHz	Maximum EIRP (dBm)
2412-2472	18.31dBm
5150-5350	19.35 dBm
5470-5725	19.35 dBm
5725-5850	19.35 dBm

Power Cables

Only use the power cables that are supplied with this product; these are correctly rated for this product.

Installation of the equipment should be carried out by suitably trained people and must comply with the appropriate local and national electrical codes.

Restriction of Hazardous Substances Directive (RoHS)

Poly products are fully compliant with the requirements of the RoHS Directive (EU 2015/863).

For more information and details of the EU exemptions that are used for this product, please contact TypeApproval@poly.com.

EU Waste Electrical and Electronic Equipment (WEEE) – End of Life Products

Poly encourages you to recycle your end-of-life Poly products in an environmentally considerate way. In accordance with the requirements of the European Waste Electronic and Electrical Equipment (WEEE) Directive 2012/19EU.

All Poly products are marked with the crossed wheelie bin symbol shown here. Products that carry this symbol should be not be disposed of in the household or general waste stream. Detail of the options open to you and the guidance on the requirements for the recycling and environmentally considerate disposal of your end of life Poly products can be found at http://www.poly.com/WEEE.

Polycom Take Back

In addition to any mandated take back requirement, Polycom offers free recycling of its branded products to business users. Detailed information is available at https://www.polycom.com/company/about-us/recycle-program.html.
